

transeuropemarinas

TransEurope Marinas - are a group of select international marinas offering reciprocal berthing arrangements for their berth holders. A **50% visitors berthing discount** will be given for up to five consecutive days to visiting yachts normally berthed at the following Marinas on production of a current TransEurope membership card:

All contract berth holders receive automatic membership of TransEurope Marinas and are entitled to the benefits of membership when visiting other marinas in the group.
